Electrolux ICON™ Designer Series appliances are as smart and purposeful as they are elegant. While the Electrolux ICON™ Designer Series excels in style and performance, Electrolux ICON™ Professional Series appliances are uniquely crafted for those who are serious about cooking. With a bold look and expert design, find culinary inspiration with ICON™ Professional Series.

WHY CHOOSE ELECTROLUX ICON™?

- **CustomConvect3™**
  By using a third cooking element with a variable speed fan, heat is distributed evenly thoughout the oven proving premium cooking performance.
- **Wave-Touch™ Control Panel Technology**
  One simple touch activates the control panel, providing you with access to all operating functions.
- **Luxury-Quiet™ Sound Insulation Package**
  Continue your after-dinner conversations while your dishes are quietly and properly cleaned.
- **Smooth-Glide™ Full-Extension System**
  Conveniently access the contents within the crispers, deli drawer and freezer basket using the ball bearing, fully extending drawers.
- **PureAdvantage® Filtration System**
  Keeps clean filtered air circulated to prevent odour transfer. Fresh clean water and ice and your finger tips.
